DESCRIPTION

2024 Chevrolet Blazer EV eAWD RS

The 2024 Chevrolet Blazer EV eAWD RS takes bold design and electric innovation to the next level. With all-wheel drive for confident handling and responsive performance, this electric SUV blends dynamic capability with head-turning style. Inside, it offers smart connectivity through features like a remote starter, backup camera, WiFi hotspot, satellite radio, and Bluetooth integration, making every drive seamless and connected. The head-up display and power liftgate add next-level convenience, while advanced safety systems like lane departure warning, blind spot monitor, and a full suite of airbags help keep you protected. Step into a premium interior designed for comfort and sophistication. This Blazer EV is equipped with heated front and rear seats, dual-zone automatic climate control, memory seats and mirrors, and a driver's side power seat with lumbar support for tailored comfort.
