DESCRIPTION

2024 Chevrolet Equinox EV LT

Step into the future of driving with the 2024 Chevrolet Equinox EV LT, an all-electric SUV designed to bring modern comfort, advanced safety, and zero-emission performance together in one sleek package. This vehicle is packed with intuitive features like a remote starter, GPS navigation, satellite radio, Bluetooth integration, and a backup camera. A power liftgate and remote trunk release offer added convenience, while a built-in WiFi hotspot keeps you connected on every journey. Safety is a top priority with blind spot monitoring, lane departure warning, and a full suite of airbags providing peace of mind for you and your passengers. Inside, the Equinox EV LT shines with upscale amenities including dual-zone automatic climate control, ambient lighting, heated front and rear seats, and memory settings for both seats and mirrors. The driver's seat and passenger seat are fully power-adjustable...
