DESCRIPTION

2026 Chevrolet Silverado 1500 Custom Trail Boss

The Chevrolet Silverado 1500 Custom Trail Boss stands tall as a bold and capable off-road-ready pickup, engineered to blend performance with practical tech. Outfitted with a rugged exterior, heated mirrors, aluminum wheels, and an integrated trailer brake controller, it's built for towing and trail adventures alike. With the Tow/Haul Mode and limited slip differential, you'll experience confident handling whether you're navigating job sites or heading off the beaten path. Inside, comfort and convenience meet with power windows, front air conditioning, and an adjustable steering wheel that puts everything within easy reach. The engine block heater ensures a warm start on cold mornings, while smart tech like Bluetooth integration, a backup camera, and satellite radio enhance every drive. The WiFi hotspot and smart device integration keep you connected even when you're deep in the backcount...
