DESCRIPTION

2026 Chevrolet Silverado 1500 Custom

This Chevrolet is a capable and dependable full-size truck built to handle both work and everyday driving with confidence. With its bold design, aluminum wheels, and heated mirrors, the Silverado Custom delivers a strong and purposeful presence whether you're on the job site or the highway. Inside, the cabin is designed with practicality and comfort in mind. Power windows, front air conditioning, and an adjustable steering wheel create a comfortable driving environment for daily use, while an engine block heater adds peace of mind during colder months. Technology features such as cruise control, remote start, satellite radio, Bluetooth integration, smart device integration, keyless entry, a WiFi hotspot, a power outlet, and a backup camera help keep you connected and in control. Safety and performance are supported by anti-lock brakes, stability control, traction control, lane departure ...
