DESCRIPTION

2026 Chevrolet Trax 2RS

The 2026 Chevrolet Trax 2RS is a compact SUV that delivers a bold design with a spirited driving experience and technology that keeps you effortlessly connected. From remote start and heated steering wheel to smart device integration and wireless charging, this Trax model offers premium convenience in a small, city-friendly footprint. The inclusion of satellite radio, WiFi hotspot, Bluetooth, and adaptive cruise control ensures every ride is as connected and comfortable as it is confident. Inside the cabin, the Trax features heated front seats, power windows, and an adjustable steering wheel, creating a warm and inviting space for both driver and passengers. A cross-traffic alert system and keyless entry enhance daily usability, while the engine block heater and front air conditioning offer seasonal adaptability. The interior is thoughtfully arranged to maximize both comfort and utility,...
