DESCRIPTION

2026 GMC Sierra 1500 AT4X

The 2026 GMC Sierra 1500 AT4X combines rugged off-road capabilities with premium features and refined design. With its bold stance, and a suite of modern technology, this truck delivers confidence whether you're on the jobsite, heading into the backcountry, or cruising the city streets. Its adaptive cruise control and rain-sensing windshield wipers help you stay focused and safe in changing road conditions. Inside, the Sierra offers a luxurious and connected experience. The interior includes leather seats, memory settings, a heated steering wheel, and heated front seats to maximize comfort on every journey. Additional conveniences include an engine block heater, power windows, adjustable steering wheel, auto-dimming rearview mirror, Bluetooth integration, smart device compatibility, and a WiFi hotspot. You'll also find satellite radio, a remote starter, and steering wheel audio controls ...
