### DESCRIPTION

#### 2026 GMC Sierra 1500 Denali Ultimate

This powerful and luxurious pickup offers cutting-edge technology and refined comfort. With features like a heated steering wheel, head-up display, adaptive cruise control, Bluetooth integration, and a WiFi hotspot, the Denali Ultimate blends rugged capability with advanced connectivity. Smart device integration, keyless entry, and a remote starter make for effortless convenience whether you're commuting or heading out on an adventure. Inside, the cabin is built for comfort and control. Premium leather seats with memory settings, a leather-wrapped steering wheel, power windows, and an engine block heater ensure year-round comfort. A heated and auto-dimming rearview mirror enhances visibility, while features like cross-traffic alert and blind spot monitoring support confidence in every lane. The heated front seats and ventilated options add seasonal versatility. On the exterior, this Sier...
