DESCRIPTION

2026 GMC Sierra 1500 Pro

The GMC Sierra 1500 PRO is a hardworking full-size pickup designed to deliver modern convenience with true truck capability. With technology features like cruise control, backup camera, Bluetooth integration, smart device integration, keyless entry, WiFi hotspot, and a handy power outlet, it keeps you connected and in control whether you're on the job site or out for the weekend. The backup camera and lane departure warning add peace of mind, especially in tight spaces or busy traffic. Inside, this Sierra PRO is built for practicality and comfort. An engine block heater is ideal for cold Canadian mornings, while power windows, front air conditioning, and an adjustable steering wheel help you settle in for a comfortable drive. Durable vinyl seats make it easy to keep the interior clean and ready for work, and the straightforward layout keeps everything within easy reach so you can focus o...
