### DESCRIPTION

#### 2026 GMC Sierra 1500 AT4

This GMC is built for drivers who want rugged capability paired with premium comfort and advanced technology. With its bold off-road-inspired styling, aluminum wheels, fog lights, heated mirrors, and a sunroof, the AT4 trim delivers a commanding presence whether you're navigating city streets or exploring beyond the pavement. Inside, the cabin blends durability with luxury. Leather seating, heated front seats, a heated steering wheel, memory seat settings, power windows, front air conditioning, and an auto-dimming rearview mirror create a refined and comfortable driving environment. A head-up display keeps important information in your line of sight, while cross-traffic alert adds extra awareness when reversing in busy areas. Technology is seamlessly integrated with cruise control, adaptive cruise control, remote start, steering wheel audio controls, satellite radio, Bluetooth integratio...
