DESCRIPTION

2026 GMC Sierra 3500HD Pro

This GMC is a heavy-duty workhorse designed to handle demanding jobs with confidence and reliability. With its durable steel wheels, integrated side steps, and dual rear wheels, this Sierra is built for strength and stability while maintaining a bold and purposeful presence on the road. Inside, the cabin is designed with durability and practicality in mind. Vinyl seating offers easy maintenance, while power windows, front air conditioning, an adjustable steering wheel, and an auto-dimming rearview mirror create a comfortable and functional driving environment. An engine block heater adds reassurance during colder seasons, making this truck well suited for year-round use. Technology keeps you connected and in control with cruise control, Bluetooth integration, smart device integration, keyless entry, a WiFi hotspot, a power outlet, and a backup camera for added confidence when maneuvering...
